JOE THE TAILOR
MADE CLOTHES

SHERWIN-WILLIAMS
PAINTS & VARNISHES

We want every housewife to know that for every surface, outside and inside of her home, there is a special paint, varnish, stain or enamel; that the selection of the right treatment for each surface is vital to durability as well as pleasing effects, and that The Sherwin-Williams Co., whom we represent, have devoted forty years to the study of surface treatments and the making of paints and varnishes best suited to each.

Have a Paint Talk with Us

The woman who wants a home that is artistic and up-to-date in every way, should come in and have a paint talk with us. We will be glad to tell her of the possibilities of paint and varnish in beautifying and preserving every surface in and about the home, and how to treat each room so as to secure pleasing and harmonious results.
